## REGIONAL NEWS

# Micronesia's July icons and the social network

Category: Pacific/Regional News 04 Aug 2016

By Christy Sakaziro - sakazirochristina@yahoo.com - Palau &amp; Micronesia Humanities Project Director

IN the past, Micronesians formed social networks built around sharing the essential needs of island communities including food preparation, arts and crafts, traditional skills, customs, and legends.

Today, island communities promote diversity as well as the environmental and cultural welfare of Micronesians through social media.

Today we honor the groups and individuals who, since July 2014, have helped the Micronesia Humanities Project continue its research and educational work. Thank you.
